	Beginning Dat	tes for Adva	anced Math,	Calculus and Phy		ary oj	

Adv. Math, and Calculus begin on video July 18, and Physics on July 25. Adv. Math and Physics continue on location the week of August 19 - 23.

All Math and Physics Classes are also Available on Video

We also design individual programs to fit the needs of each student, for example - acceleration, more individual attention, slower pace, etc. Students are first tested for correct placement. Some students may need to begin now and/or work through the summer to prepare for fall classes.
